POINTS

State Finals is worth a total of 40 points per event. Points are earned with 3 goes/performances worth 10 points each. An accumulative total (“average”) of the times or score is then taken from those 3 goes to make a 4th set of points. All 4 will be placed with points from 10-1. End of the year winner = season points coming in to the finals + all points earned at the finals. Everyone will compete in his or her event 3 times.

Attention Team Ropers

Please remember: When you enter the team roping at the State Finals, your points are added to your partner’s points. At that point you become a team. The top fifteen teams will be placed accordingly. You can enter with anyone you choose as long as your total points place you in the top 15.

Position Draw

We will do a random draw in Cutting, Barrels and Poles for all 3 Performances. All other events Perf # 1- Random Draw; Perf # 2 – Reverse Order; Perf # 3 - from the CURRENT places 15th to 1st. Be sure to check the events sheets posted each day –the places could change with each performance.

Grades

You must mail in your most current report card. For most of you it will be your 3rd quarter report card that you probably received sometime in late March. Remember you must have a 2.0 GPA in order to be eligible to compete. Submit with finals packet.

Would you like to be a student officer next year?

Student officer elections will be held at our State Finals during the Contestant meeting. Anyone interested in taking part in the arena should consider one of these positions. It is also a great way to earn community service hours. If you have any questions please contact one of your current student officers. If you would like to campaign, posters can be hung around the concession areas and barn areas. You are responsible for cleaning up anything that you have displayed. Please do not hang anything in the arena. This is not permitted.

A state finals back number will be issued to you at check in. You will be required to wear it from that point on during the four days of the state finals.

National Finals

Gillette, Wyoming

July 17-23, 2022

The top 4 in each event after State Finals will be qualified to compete at the National Finals (positions are placed by total points earned all season + points earned at the State Finals)

We will have a MANDATORY National Qualifiers meeting on Sunday, June 12th at 10:30am for the National Finalist Team at The Venue.

All National Paperwork and fees must be completed and turned in at this meeting – you may need more than one check for the National Fees.

National Paperwork requires the notarized signature of **Both** parents or Legal Guardians unless one person has Full Custody. We will have a notary present for your convenience.

If it looks like you are qualifying for Nationals and you know you are not going to attend, please let me know as soon as possible. That way I can contact the next person in line and they can be at this meeting on Sunday.

National Basket

We are in need of items that represent our State of Florida. Anything Florida goes! Each state team, at the National Finals, presents a basket to be auctioned off at Nationals. Please help out our team and bring an item to donate. We really need to be represented well!
