

Senior Recognition – Class of 2019

Senior recognition is such a special time to honor our seniors and their families. This year's senior recognition will be on Sunday morning, April 7, 2019 at the Wauchula rodeo. Time will be posted on website. Each senior, along with their parent(s) or escort(s), will be introduced as they walk into the arena. We ask that you complete the Contestant Bio Form and turn it in at check in on Saturday, so we have it available for our announcer to review prior to our special program on Sunday morning. If you should have any questions, please contact Melissa McKay via phone or text at 863-634-1962. We ask that all seniors wear their senior shirts. Senior pictures will be prior to the start of the program.

Senior Memory Tables – Class of 2019

To all Seniors and their Parents

Every year we do a tribute to each senior by having them set up a memory table at our last regular season rodeo, state finals, or both. This year you will be able to display them at our Wauchula rodeo on April 6-7, 2019 in the building located behind the roping box, and again at our State Finals in Okeechobee, FL on May 9-12, 2019. Each senior is encouraged to set up a table showcasing themselves. Some ideas for your table might include:

- A science board or backdrop with pictures (baby, family, rodeo, friends, or anything about you)
- Awards you have received during your school years
- Memorabilia that represents YOU

If you have anything of value on the table, it is advisable to remove it at night time.

Unfortunately, we are unable to provide tables. Please bring your own table to display all your memories!! Our families and contestants look forward to seeing our senior class showcased each year.

If you have any questions, please contact Melissa McKay at 863-634-1962 or Misty Easler at 407-908-5806. Both can be reached by phone or text.
